Who is God?

He is not your dog that you call to him and he comes running as your servant. That may be the gentile God who comes running to your aid as Christians claim. He's there servant called Jesus ready to do their miracles and wash their dishes, while the men and women still lack spirituality or any kind of holiness. Their lives are as bankrupt as when they started to the day they will die.

Our people committed an act of grave sin listening to the Egyptian priests who had joined our people coming up out of Egypt. We are still paying for the sin of the Golden Calf.

They made a Golden Calf in the image of Isis who was to them the Goddess Hathor. Moses had only left Israel for 40 days and nights that they were shown a false vision from Satan who showed them Moses dead in a casket. This caused some of these Israelites to panic and join hands with the priests of Egypt to build the Golden Calf. Did you know that the Golden Calf was made to speak and dance? This is why the Israelites who had joined hands with the priests of Egypt started to worship the creature instead of the Creator.

Nothing has changed in the gentile heathen temple known as the Church!

If Christians tell you God shows them visions and does miracles do not pay any attention as many are simply false miracles and false visions.

I had a woman come to me last year claiming to be seeing Jesus in visions and she had a cross in her neck as big as an 8x5 size book. Yes Yahushua, or Jesus is real but her story smacked of embellishments.

I looked at her at the cross and asked her why haven't you removed Tammuz? The woman did not know what to say. She claimed Jesus plays with her by putting her on his palm and he is in the sea and this woman is in his palm above the sea, allegedly on Jesus's giant hand. This is what she told me believe it or not. This reminded me of the movie Gulliver's travels. It not that I don't think the Messiah and Master has small or giant hands but its just that some people are just deceived by their own personal deceptions.

This was not an uneducated woman falling for this kind of deception but an educated accountant in London. Then she claimed that Jesus told her to write the Torah scroll.

At this point I could not hold my speech and told her how can He, the Master ask you to do this being that this is not the responsibility of a woman but a man or a sopher a scribe. This was not her task to do and she will not be able to complete any this task. She said she was to start last May 2014 and wanted my help. I told her if he wants my help tell him to speak to me, I am not going through you and that is not how I work. The Master never asked me, not in a dream or a vision to do this task.

She wanted to get in touch with Rabbi Amariel Howshua in Israel. I connected her to him and stepped back as I saw problems ahead for this woman. I cautioned the Rabbi that this woman makes many claims but they are not true and her Torah writing claim will not come to pass either and to this day they have not.

Rabbi Amariel said to me many women who are deceived by demons make many such claims but let's wait and see. I told the Rabbi no need to wait this is a pure lie and will not come to pass as we do not have any history of allegedly Hebrew women writing our scrolls. Today March 30, 2015 we are now ten months into that claim and that woman did not manage to write a single page of the Torah as far as I know proving that her claims were false which was my earlier contention in the first place and not that a woman could not contact a kohen or a scribe to do the job.

This is why referencing my previous article women who take the moral high ground of telling the men that God spoke to them are equally playing with fire.

The God of Israel is not some play toy but a Holy God and declares the following;

Wa'Yikra (Lev) 19:2... You shall be set-apart: for I YHWH Your POWER am set-apart...

Be ye afraid, very afraid that he may not extinguish you for the idolatries if they reached heaven of what plenty of the people are doing down here playing with fire and the Gods of the gentiles will be demolished one day, to chase after them and calling them set-apart is spiritual blindness.

You will start to see judgment quicken as God starts to take notice of the people he called by his own name many still in perversion and idolatry. As we approach the Passover that is when the gods of the gentiles were put to the test, be careful that you may not be put into a trial and found guilty of sin and rebellion. Around this time of the year evil is at his height so Satan will tempt you with the evil inclination to do the wrong acts, so be careful. You will see relationships break, people get angry at you for nothing, you get lambasted for things you didn't do wrong but someone else did, this is the common occurrence during this time.

The Master Yahushua will have mercy on whom he will but set apart are those that obey his voice, the Torah and are His true disciples indeed.
