Disobedient wives

Many of our people desire to live in right ruling ways of the Most High Abbah YHWH but few understand what is required and how to perform the day to day duties.

Our people have been in the Diaspora for 2700 years and have watered down our culture so much that to them the gentile culture and ways at times appears to be more appealing than our ways. Most want a monogamous marriage which is the model given to us by Rome and the Grecians. They rave about how good the monogamous marriage is versus plural marriage. Little do they know that there is no such thing in the world.

If you thought King Solomon had the most wives you would be forgiven for your ignorance because it was a Chinese Emperor who topped the number of wives he had was 2000 women. King Solomon would pale to insignificance in regards to number of wives in comparison. However this is not about who has more wives or who has less. We the elders of Israel must establish our ancient tried and tested patterns as given to our forefathers Abraham, Isaac and Jacob. If it means you live with one, two or ten wives that is your prerogative as the Torah never commanded what is the number of wives for a man. The Torah required the man to be humble and to obey the voice of the Abbah showing us the examples of our forefathers Abraham with four wives, Isaac with two wives and Jacob with four wives.

If the man can live in right ruling ways then he should be able to run his household and if he cannot do that then he will fail to run his household.

Many of our women who are brought up in the western culture treat their men like children, telling them when to speak and when not to and they consider that as the normal thing to do. While on the other hand men who desire to live right-ruling are not even in a position to correct their wives as when they correct their wives they get told you are playing the blame game. This way men are made insignificant. This by the way is the most displeasing thing in the eyes of the Abbah.

Mishle 25:16 Have you found honey? Eat as much as is sufficient for you, lest you be filled therewith, and vomit it.

This is for the women who think they know it all about Torah as the Torah is likened to a honeycomb but if you eat too much you will vomit it out. In other words don't jump ahead of your right ruling men else you will fall.

Women love to use the blame game to put men down so the men may not speak and they think by stating the case first somehow they are right and the man is always wrong.

We have the following Proverb for such a case.

Mishle 18:17 He that states his case first seems right; until another comes and examines him.

We are told in the Proverbs that he/she that states his case first seems right until they are challenged. This is what happens to women when you challenge them then they run but when their mouth is wide open against their husband's they think just because they spoke first therefore they must be right.

There is a Chinese proverb that says the following;
You must cross the river before you may tell the crocodile he has bad breath.

You could turn this around and say that a woman is the type of crocodile, you tell her she did something wrong, and she is ready to bite your head off. This is not the way to do things. Both Torah men and women are already struggling to live to please the Abba and if the wives cannot be supportive to their husband's who are out there perhaps working or doing whatever it is that is required get told what to do that would be the start of a bad day for a man. A Chinese proverb says man does not know a bad day until he has a good day so when are our wives going to show us a good day?

Chinese proverb also says "Curse your wife in the evening sleep alone at night". So how many men are sleeping alone in the West after a discussion went horribly wrong? Of course to women its always the man that is wrong they are never wrong as Uncle Sam tells them and or their wayward lawless Pastor has instructed them to stand tall and fight back.

This is not to say men don't make mistakes, they do too, but in each case what is important is how to communicate in order to bring understanding. Where you see a woman is not going to learn its best not to speak at all and leave it to Hashem. When he strikes the blows they will be felt but your soft speech may do nothing to sway the situation.

In China people don't pretend to be nice but either they are nice or they tell you on your face that they don't like you. This is both good and bad, its not politically correct of course but I would rather be told I am not liked then to live in a pretence life so I prefer the straight answer however the Western culture is all about molly cuddling your wife/wives and pretending to be something that they are not. So you have to be always be politically correct. Unfortunately this is not the Hebrew way. When wives step out of line they must be told and when they step in line they must be congratulated on being good right ruling women.

In my case I would rather tell my wife I dislike something she did then to pretend she is great when she is not. Yes my wife may not like it for a few moments but she at least has an honest husband who is not going to stab her in the back. Or by running off with another woman without her knowledge (when she does good I will tell her she did good). By the way this too happens in China, when Western men marry Chinese women here they do stab them in the back and run off with the woman's friend so they bring their bad culture from America to China, so much for monogamy. I spoke to one woman today whose American husband did just that by running off with her best

friend and giving her a divorce to marry her younger better looking friend. I myself will rather live with an ugly wife who is obedient than a beautiful disobedient one.

I asked the woman why do you pretend monogamy is the best when men are doing this here and even the Chinese men have secret girlfriend's with A wife at home. One friend of my family here has three girlfriend's and he told me he would select which one is to be his wife but in reality he is practicing plural marriage without Torah. When he went to the immigration office with me he liked a fourth lady there who was tall and pretty, he asked me "Did you see that tall lady, I like her but if my girlfriend finds out she will kill me." I found that quite amusing but you see men are going to be men you cannot change the nature of man however what is important for men is to be humble and abide in Torah so that their houses can be built up in shalom. There is always going to be that next woman who is prettier than your wife or even wives but you need to appreciate your good wife/wives and learn to live in peace with them. We cannot keep running after the next pretty woman because that would be an unstable husband.

No one likes correction and do I know that too well but if our wives do not do the required Torah deed they must be told so they can correct themselves. When I had my wife in London, I would come home and my wife would be staying inside the living room not to bother to even come to the door, I had to remind her that a Hebrew wife is to attend to her husband at the door, when he enters the house she should know what time he is coming home and attend to him and stand for him, she is not permitted to sit until he sits. Can you imagine a king who enters the palace and everyone is playing chess and no one bothers to get up?

This was only a minor correction nothing bad but it was needed to be done. She understood and remembered it the next time I got home. At the same time its not about who is right and who is wrong, we as the husband's and the respective wife/wives are to build each other up and not destroy each other. However its very hard for Hebrew men to be Torah right and be politically correct because it doesn't work. This mixing of western culture will NEVER work.

When a husband is talking to a wife and she tells him she is busy and got to go, that is seen as a rude Hebrew cultural trait but women do this all the time. However let this be an admonishment that wives need to step up the mark and start being the right ruling wives they are meant to be. Its not a question of replace one woman with another but sound correction will polish up a good woman to be a better woman.

Spirits and women

Then there is the wife that will tell you the spirit told me such and such. The only problem is that whatever spirit she is speaking to is not G-d's Ruach but some other ruach (spirit) she has attracted from Church. Women try to be spiritual by telling you what the spirit said but when you test this spirit it turns out that it speaks against G-d's will plan and purpose however the woman is adamant G-d is speaking to her. So beware of such ladies that do that. This is another common Christian garbage issue where Church garbage has made it into the home and now trying to destroy your home under the guise of Torah. If G-d needs to speak he is quite capable to speak to the authority of the house which is the man, he does not need to break the order so

beware. When women start playing more spiritual then you know something is not right. Man's role is the priest and head of his household so it should be him that G-d should be speaking with provided he is right-ruling. However even if he is not right-ruling G-d is capable of speaking to him and don't go to speak to the lesser vessel. Look at the situation of King Ahab when G-d spoke to him through the prophet Eliyahu even though he became wicked but G-d did not speak to his wayward wife Jezebel but spoke to him. G-d is not about breaking the order but today's such wives unfortunately are all about feeling more spiritual and more superior than their husband's. Instead of lifting the husband up they put him down by speaking to him in such a way to disservice their relationship.

Mishle 25:24 It is better to dwell in the corner of the housetop, than with a brawling woman and in a wide house.

I have done this before when I was always arguing with my first ex-wife I would end up after the argument in the corner of the house because I saw absolutely no point in arguing with an unwise woman on matters of faith.

Mishle 26:5 Answer a fool according to his folly, lest he be wise in his own conceit.

To this day my ex-wife has not changed nor ever admitted that she was ever wrong so do not think that by arguing you can win? No man ever won an argument from a woman, they mostly never admit their wrong. I have yet to receive apology to this day from my ex-wives of their mistakes so let this be a lesson to you all, the Abbah increases all those that step up the mark and live to please him while for the rest let them be the dust of history. The good upright women will be remembered forever but the foolish will be forgotten.

Tehilim 19:7-10 The Torah of YHWH is complete, converting the soul: the testimony of YHWH is trustworthy, making wise the simple. **8** The statutes of YHWH are right, rejoicing the heart: the commandment of YHWH is pure, enlightening the eyes. **9** The fear of YHWH is clean, enduring forever: the judgments of YHWH are true and right-ruling altogether. **10** More to be desired are they than gold, yes, than much fine gold: sweeter also than honey and the honeycomb.

And many more questions answered. The time has come to expose the errors of others.

What Else Have They Kept From Us?

This book is as the result of an e-mail conversation with a lady who asked me some questions and one of her questions upon my answer was "What else have they kept from us?" This was the question that led to this book because instead of answering people with small sections of answers I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life.

How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Y'sra'el.

Patriarchal Marriage, Y'sra'el's Right-Ruling Way of Life, Methods and Practice

How did the Y'sra'elites live? What form of marriage did they practice and how did they practice it? This book is about to show you what was Elohim's design from the beginning and how the Y'sra'elites lived within Elohim's required parameters. Today these things appear mythological but here we show you the methods and ways of how this lifestyle was practiced and is being restored in these last days while the much touted gentile monogamy is wrecking lives and destroying families and society around us. How many marriages are breaking down as a result of the wrong model and how many children are living fatherless lives while women live husbandless and unfulfilled lives. This book will show you why the Greek and Roman monogamy model with a husband and a wife and a bit on the side does not work. While Elohim's model of plural marriage is an everlasting model that not only works but saves many children from losing their father's and women from losing good husbands.

Hebrew Characters, The Power to have prayers answered

Have you ever tried praying and find that either your prayers take very long time to answer or they don't get answered at all? In frustration you ask other friends to pray for you in hope that you may get an answer from G-d soon.

I have given considerable thought about the condition of our people and how many languish in poverty, in situations where they seek for help because they are given false dogmas, put in religious bondage and slavery of the mind and heart. Many times they make their own lives harder because they have spent so much time in the nations that they just want to live like the gentiles and not Hebrew as they are unaware how to benefit themselves that await them. I know it can be a lonely road at times. Our Abbah in the heavens feels our pain while we live in exile He sends the Shekinah to be with us. He longs for us to return back to the contracts that we may receive all the increases and benefits that are only meant for us.

However we pass our life by with this that and the other person who gives us no joy but we think maybe if we carry on suffering things will change for the better but things NEVER change. This book was written to help for a time such as this to better the lives of our people. To empower them with the right petitions to give them benefits and increases in employment, love, marriage and sickness. This will help you break the spells of witchcraft, dealing with jealous people around you and personal anger issues. This will help you deal with demonic presences in your homes. This will show you how to receive a timely answer to all your prayers. I have used these methods for my students all over the world which have proven successful for them and have greatly benefited them.

It takes many generations for a right-ruling priest to be born in our generations. How many generations our people have suffered the scourge of the curses for not obeying the Torah? Many are still suffering. The Most High is going to raise his priests one by one until we get our restoration complete. Rabbi Simon is of the priestly family born to help his people.

The Kohen is meant to be a benefit to the people of Y'sra'el and is one of the person's that has been given the authority to stand between the heavenly court and the earthly realm. Christian clergy has been lying to you for so long that you don't know what is good for you anymore. The Melekezadek priest's job is not to stand between the heaven and earth as you have been wrongly taught, his job is to be a King and serve justice on the earth with the Torah. While the Christian clergy teaches everyone can be a Melekezadek this is not the truth. Only the Kings of Israel can right hold that title, it's not for anyone else.

There is only one everlasting priesthood and that is the Lewitical one. This book has been written by a Lewitical priest of Beyth of Tzadok, its time you reap the benefits so decide wisely. Even if you are a gentile looking to become part of Israel by conversion the opportunity is open to you to obey the Torah and join us.

I want you all to benefit and to receive what rightly belongs to you. I could have sold this book for \$100 a piece because everything in this manual would forever change your life once you put it in practice but I decided not to do that as my purpose was not that.

However this book is kept at a low price not for \$100, no, not even \$50 but for a price of \$27 only this will forever change the way you think and pray. I am practically giving this away for you to better your lives. The rest is up to you.
